NOTE: The Christian Church at West Union, IL is difficult to classify. The quick and easy description would be a mission oriented church in rural southeastern Illinois. That really doesn't describe the church or the congregation. For over 40 years we have supported missions through a Faith Promise program totally independent of the church general fund. We are a unique mix of traditional and innovative. Contemporary or traditional is not an issue. Banjo, dulcimer, piano, bass guitar and organ may all be heard, sometimes in the same service. Hymnals or Power Point is not an issue. We use both. The short description is: We are a non-denominational independent Christian Church.
