We need someone who is comfortable in a non-traditional environment; someone who is able to meet people where they are at and actively help move them to where God wants them to be. We are a growing church (50% growth in two years) that is looking for someone to stay and grow with us. The right candidate will have a desire to be a part of a creative team and will be willing to work with the staff, especially our Lead Pastor. If this sounds like something you might be interested in you can send an e-mail to the above e-mail address – no phone calls please. This is a full-time position.
