Search

Limit a search by entering a specific

Title or Author (optional):

all of these words
 all of these words
 any of these words

All of These Words combines terms with the Boolean operator AND ensuring that each entered term appears in your results.

Any of These Words combines terms with the Boolean operator OR ensuring one of your search terms appears in your results.

WORKING WITH SEARCH RESULTS

Search results are returned in a list showing:

- Book Title
- Author
- Published Date
- Call Number

Click on the title of a book to view additional information about the title including its current status.

CREATE A NEW BOOK RSS FEED

The RSS Feed sends a listing of new book and new media items to an RSS or Blog reader which will then display the results of this search daily.

After searching New in Catalog, the option of creating an RSS Feed is presented.

Click **RSS feed: XML** which appears in the upper right corner of the screen.
