

## WHY SEARCH BY PUBLICATIONS?

- Search by Publications is useful when you want to find articles in a certain publication.
- Search by Publications also allows users to virtually browse the table of contents in a specific issue of a publication.

## HOW DO YOU SEARCH BY PUBLICATIONS?

- Click on Publications in the EBSCOhost toolbar.
- Click in the circle next to:
  - **Alphabetical** to view an alphabetical list of publications.
  - **By Subject & Description** to view all publications with the entered word in the description.
  - **Match Any Words** to view all publications with the entered word anywhere in the publication record.
- Note: Some databases offer **Alphabetical** and **Relevancy Ranked**.
- Enter publication title or search term in the text box and click **Browse**.

The screenshot shows the EBSCOhost interface for searching by publications. At the top, it says "Publications" and "Browsing: Academic Search Premier -- Publications". A search box contains "Christianity today" and a "Browse" button. Below the search box are three radio buttons: "Alphabetical" (selected), "By Subject & Description", and "Match Any Words". A "Page:" section shows "Previous | Next" and a list of letters from A to Z. Below that is a "Mark Items for Search" section with an "Add" button. A list of results is shown, with the first item being "Christianity Today" with a checkmark icon, an RSS icon, and a link to "Christianity Today". A callout box with an arrow pointing to the link contains the text: "Click on publication title for description and publication information." Below the link, it says "Bibliographic Records: 01/13/1984 to present; Full Text: 05/14/1990 to present" and "PDF Full Text; HTML Full Text".

- Click in the box and then click **Add** to retrieve all indexed articles from the publication.
- **Note:** Some databases do not include publication description and information.

## SEARCH SPECIFIC PUBLICATIONS

- Some databases do not offer the ability to Search within this publication or browse table of contents.
- When using **Search within this publication**, additional keywords may be added or additional limits placed on the search.

## WORKING WITH SEARCH RESULTS

Search results are returned in a list showing:

- Article Title
  - Author
  - Source
  - Published Date
- ⇒ Click article title to view the full citation or click **HTML** or **PDF Full Text** to view article.

### TO CREATE A LIST OF CITATIONS

- Click the folder below each record, or click the folder icon while viewing the full citation.
- To view the folder contents, click on **Folder View** to the right of search results.

### TO WORK WITH RESULTS LATER

- Click on the **Envelope** icon in EBSCOhost and enter your e-mail address in the form.
- Click on the **Disk** icon in EBSCOhost and follow the directions to save to your personal computer or USB drive.
- Click on the **Printer** icon in EBSCOhost, click **Print** on the form, and **OK** in the Print box.
- For PDF Full Text, click on the **Save** icon or **Print** in the Adobe® toolbar.

### OBTAINING ARTICLES

#### NOT IN FULL TEXT

- Click on **Check SFX for full text** or use **Journals/E-Journals** on the library website to find full text in other databases or a print publication at the Jessie C. Eury Library.
  - If Jessie C. Eury Library does not have the article, click on **Interlibrary Loan** and fill out the online Interlibrary Loan Request form—Articles.
- ⇒ Allow at least 3-5 days for article requests to arrive at the Jessie C. Eury Library.
