- Click on the arrow to select Table of Contents, Full Page Image, or Issue Thumbnails.
- Select the specific issue you wish to view.

## BROWSE WITH FINDING AIDS

HarpWeek offers four Finding Aids to use while browsing.

- Click on **Finding Aids** on the Welcome page or at the top of any page.
- Click one of the following options:

⇒ **Geography** ⇒ **Literary Genre** ⇒ **Occupation or Role in Society** ⇒ **Topics**

- Click on a specific category to view a list of subcategories and index entries.
- Click a index entry to view corresponding articles in **Full Page Image** or **Thumbnail**.

## SEARCH

Harper's Weekly allows four search options:

- Full Article Text-Standard Search
- Full Article Text-Proximity Search
- Harper's Weekly Indexes
- Literary Synopses

- **Full Article Text-Standard Search** performs a basic keyword search of the full text and allows Boolean searching and truncation.
- **Full Article Text-Proximity Search** performs a search of the full text for two terms that are NEAR each other.
- See search boxes below.

SEARCH TERM 1	SEARCH TERM 2
<input type="text"/>	NEAR <input type="text"/>

- Full Article Text-Standard Search and Proximity Search offer limit to **Feature** and **Date**.

⇒ Click on the down arrow next to **Select Feature** to select a specific feature.

⇒ Enter a date in the **From Date** and **To Date** text boxes.
